MANY SURPRISES IN ELECTION RESULTS

Straight Votes Give Flentie Ticket Easy Victory at Heights

Straight Votes For Regular Ticket Too Great for
United Peoples Party to Overcome; Clean Cam-
paign Receives Praise of Voters

J. D. Flentie defeated Nelson F. Hauff for mayor of Arlington Heights Tuesday. Mr. Flentie received 1495 votes while Mr. Hauff received 733. George Schaefer, who was a candidate for reelection as high man upon the Hauff ticket, receiving 916 votes compared with 1299 the lowest vote of a candidate upon the Flentie ticket. The Flentie group were given 868 straight votes, compared to 387 for the United Peoples party, a lead which was too great to be overcome by split tickets. The results were as follows:

For Village President:

Protest Validity of Arlington Heights H. School Election

A petition signed by a group of citizens and the candidates, A. B. Hewson, Mrs. Hausman and Mrs. Geo. Schaefer, was forwarded by registered mail Tuesday evening to Theodore Militzer, president of the Arlington Heights Township High School Board of Education asking that the recent election be declared illegal and a new election be called. The petition was as follows:

To Mr. Theodore Militzer,
Pres. Board of Education Dist. 214,
Arlington Heights Township High
School, Arlington Heights, Ill.

Whereas the polls in your School District election of April 8, last, were not opened until four p. m. in direct violation of the mandatory requirements of Section 91 of the School Law of Illinois (see Circular No. 256), which orders that the polls shall be opened not later than Twelve o'clock noon and closed not earlier than seven p. m., and

Whereas Mr. A. C. Haake, secretary of your Board was notified prior to April 8th last, that the said election was being called in a manner contrary to the requirements of said Section 91 by both Mr. Arthur B. Hewson of Arlington Heights, Ill., a candidate in said election, and Mr. Otto F. Aken, County Superintendent of Schools, and

Whereas the said Mr. A. C. Haake did willfully ignore the attempts of the said Arthur B. Hewson and Otto F. Aken to insure a legal election;

Now, therefore, we the undersigned duly qualified voters of School District No. 214, demand that the said election be declared illegal by your Board and that a new election be called by it in compliance with the requirements of said Section 91.

Unless such action is taken by your Board within three days after receipt of this notice we shall call upon the State's Attorney to institute proceedings in the County Court to have the said election declared illegal and to have a new election ordered by the Court.

A copy of this notice is being sent to the Township Treasurer as required by law and to the County Superintendent of Schools and the State Superintendent of Public Instruction for their information.

Would Ward Off the "Tax Sharks"

Two bills, likely to prove a solution for the mortgage foreclosure problem have been introduced by Rep. Gus J. Johnson, Republican of Paxton. They provide that counties can issue bonds without referendum and use the money to buy in real estate at tax sales. The county would then hold the property until it is redeemed or sold, when the funds would be turned back to pay interest and retire the bonds. This would give every county money with which to function and equity owners would be protected from "tax sharks."

State Treasurer John C. Martin of Salem, nationally known as an authority on banking and finance, is said to have been completely ignored by other state officials, both before and since Gov. Horner called the bank moratorium.

Marie Dressler In "Emma" Good Picture at 5 & 15c

A rare bargain in talking picture entertainment will be Marie Dressler in "Emma," at 5c and 15c at the Arlington Theater Thursday and Friday, April 27 and 28. This is a wholesome picture in which this very popular and excellent character actress takes a heroic part. It is one of those pictures that entertains one and from which one may come away feeling that the time was well spent, the picture worth while.

Pal. Postoffice Changes Head Four Times in As Many Months

With the appointment of William Kehe as postmaster of Palatine that office has its fourth head in as many months. Mr. Kehe is the first Democratic postmaster appointment to be made in the North-western town. While President Roosevelt has announced that all Republican postmasters will be allowed to complete their terms, there are a number of postal plans in this vicinity that are about ready for the "picking." Democratic candidates for the position are many, but the regular organization of that party has let it be known that appointments will be made entirely along political channels.

The three recent postmasters at Palatine are: Harold Hitzeman, who was released Dec. 3; Franklin Oltendorf, who served about a week and Geo. Howes, who served four months.

Re-elect Butler As Superintendent Of Pal. High School

Mr. G. C. Butler was reelected superintendent of the Palatine Township high school Monday evening by a vote of 5 to 1. Mr. Butler had previously volunteered a substantial cut in his salary for the coming year saying that he was willing to do his part to lower school costs in Palatine. Action upon the corps of teachers will be taken at a meeting to be held this Friday evening and it is understood that some of the present salaries will be somewhat pruned. The cuts in salaries will also be extended to the two janitors.

School Engineers Given Perfect Standing

Following a recent visit of state inspector to the boiler room of the high school a report was received, which gave Palatine school heating plant a score of 100 per cent, the inspector stated that it was an unusual mark, but he had found the janitors to be unusual men.

School Contests Are Close In Division One

School contests in Declamation, Spelling and Health Poster are proving very close and interesting this year in the township contest, according to Director of Education Noble Puffer. The health posters have been unusually fine, worthy of being the product of the pupils of an art teacher. It has been much harder this year to determine spelling champions than ever before. These results are due to the fact that the experienced and capable corps of teachers who are now employed in the rural schools. Incidentally Director Puffer states that he expects few, if any changes in teachers, and if any are replaced that there are enough experienced and successful teachers available to cause him no great concern.

The results of the contests by township follow:

April 17, Palatine Twp.
First Declamation—Marilyn Thorsander, Dist. 19.
First Spelling—Clara Landwehr, Immanuel Lutheran, Palatine.

Second Spelling—Marguerite Heimgaertner, Dist. 12.
Third Spelling—Dorothy Sander, Dist. 16.

First Health Poster (Painted)—Thomas Philbin, Dist. 16.
First Health Poster (Cut and pasted)—Catherine Schwartz, Dist. 17.

April 18, Elk Grove Twp.
First Declamation—Edward Wagner, Dist. 59.
First Spelling—Harold Schoo, Dist. 59.

Second Spelling—Bernice Fluger, Dist. 59.
Third Spelling—Harold Ollman, Dist. 61.

First Health Poster (Painted)—Irene Schoo, Dist. 59.
First Health Poster (cut and pasted)—John Pingel, Dist. 60.

April 19—Barrington Twp.
First Declamation—Ralph Hoffman, Dist. 11.
First Spelling—Ruth Bettin, Dist. 5.

Second Spelling—Dorothy Beu, Dist. 11.
Third Spelling—Grace Rieke, Dist. 9.

First Health Poster (Painted)—Marvin Beckman, Dist. 2.
First Health Poster (cut and pasted)—Hilda Thurnau, Dist. 10.

Schools Close Monday; Arlington Heights Grades for All Week

Schools (high and elementary) will be closed next Monday on account of teachers' meeting to be held in Evanston all that day (the North Shore division of the State Teachers' association).

The elementary public schools in Arlington Heights will be closed the entire week for a spring vacation.

Teachers and P. T. A. Groups to Have Big Meeting on Monday

An outstanding program of keen interest to teachers and parents is to be given Monday at the annual meeting of the Lake Shore division of the State Teachers' association at Evanston high school on Dodge avenue, beginning at 9:30 o'clock. Schools generally throughout Cook and Lake counties will be closed that day.

President R. S. Klein Smidt, of the University of Southern California, and W. T. Foster, Pollack Foundation for Economic Research, will speak at the general sessions. Ten sectional meetings including one for the Parent-Teacher associations will be held. Mr. Foster will discuss the P. T. A. groups, which are the P. T. A. groups, the also Orville T. Bright, Jr., superintendent of schools of Dolton, Ill.

Important Meeting Cemetery Association Monday Night, May 1

Elsewhere in this paper appears an official announcement of an important meeting of the Arlington Heights cemetery association, of which every owner of a lot is a member.

For years, Mr. E. N. Berbecker, who passed away a few weeks ago, has taken care of the affairs of the association, and seen to the proper care of the cemetery. It is necessary that the work of care of the cemetery, the keeping of the records, and the financial affairs of the association be newly organized so that the cemetery care be continued, and the needful records be brought up-to-date and suitably preserved.

This meeting, at which a large attendance is necessary, will be held Monday evening, May 1, at 8 o'clock at the Arlington Heights State Bank. There are assessment notices to be sent out and much work to be done at once, after which it should proceed regularly.

"Pageant of Brides" To Be Presented at M. E. Church, May 5

Romance and history are closely intermingled in the panorama of wedding gowns to be "blushing brides" at the pageant to be held at the Methodist church in Arlington Heights on the evening of May 5. This unusual entertainment promises to be one of the most delightful ever sponsored in Arlington Heights. Those closely associated with it say it will be staged in an entirely different manner than most things of this character. Under the guidance of a professional producer, every little detail has been carefully worked out and nothing left undone to make the affair beautiful and interesting.

Bridal gowns of a century will be in the procession and the ladies of Fidels Circle, who are sponsoring this production, are looking forward to a most pleasing and successful event. Wedding gowns are all locally owned.

The pageant will begin at eight o'clock. Tickets only 25 cents.

Fessler Dairy Gets "Clean Bill" from States Atty. Office

Mr. Fessler, of the Fessler Dairy took his boxes to the office of the State's Attorney and has been informed that his records show that his accounts of relief milk were accurate and that there have been no irregularities so far as his dairy was concerned. Mr. Fessler threw open his records to the investigators freely and gave them every cooperation in checking his deliveries.

Barrett in Conference Monday at Springfield

Mr. O. G. Barrett, Cook County Farm Adviser, was in Springfield Monday to meet with a special committee of legislators and with State Director of Agriculture McLaughlin, looking toward the drafting of a bill for the protection of fruit and vegetable growers from the inroads of "scalpers."

"That's One On Bill" Thursday and Friday Nights This Week

"That's One On Bill," three-act comedy, is being presented Thursday and Friday nights this week at 8 o'clock by Semper Fidelis at St. John's church.

Report Excellent Demand for Rentals

Herman H. Boeger of the Arlington Heights Realty Co. reports that there has been a very good rental demand. A large number of those seeking homes are from Chicago.

Mr. Math Schaefer is now associated with this firm, which has on file an active list of places for sale and rent.

Report Supervisor and Three Dairy Employees Named in True Bills

It is reported that Supervisor Chas. F. Grandt, of Wheeling Township, and three others, employed by Borden's and Bowman Dairy companies in this district, were named Wednesday afternoon in true bills by the Cook county grand jury. The others are Harry Knaack, route foreman and William Jeschke, assistant superintendent of the Des Plaines district for Borden Farm Products Company, and Vincent A. Parker, assistant credit manager of the Northwest territory for Bowman Dairy company.

It is charged that drivers used as credit in writing off poor accounts, the over supply of milk that was ordered for relief purposes, but was not delivered to families receiving such relief. In what way Supervisor Grandt is implicated has not yet been made public and it has not yet been shown whether Mr. Grandt had knowledge of what the milk companies were doing, although it is charged that Mr. Grandt received his dairy supplies without cost.

This paper understands that the State's Attorney's office does not claim that any cash passed to Mr. Grandt or anyone else. It also understands that two investigations are now in progress to determine to what extent a similar practice has been in effect in other townships.

News of the indictment came as a surprise to Mr. Grandt, who left for Chicago Thursday morning to learn what "it is all about."

To Cut Many Off List

This paper is also in receipt of word that a great many of the word that are now receiving relief will be cut off in the near future. It is understood that the relief lines are to be drawn very tight and families now on the list who have any indirect means of income, have insurance rights, or tangible property that can be realized upon, will be thoroughly investigated, and many of them cut off.

Fast Truck Driver Caught on Highway

Driving a truck at 50 miles an hour westward through Arlington Heights Monday morning, a Chicago man, Wisconsin bound, was arrested by Officer Carl H. Skoog of the Arlington Heights police, and tried before Police Magistrate H. H. Meyer. The defendant demanded a jury trial, was found guilty, and then said he would appeal the case. Chief Skoog had checked up on his speed from Vail to Euclid avenue.

Chicago Election Management Expensive To Morton Grove

The taxpayers of Morton Grove now realize that their citizens made a serious mistake when they voted to turn the management of their local elections over to the politicians of Chicago, where each item of expense is more than double and nothing gained. The local people could adopt the system of registration of all legal voters at home and save the extra costs of Chicago political managers, who charge higher prices for their time, cost of printing ballots and all incidental items. They would save money by rescinding that vote of Chicago management and conduct their own local election.

We would advise every village and township to make a registry of all legal voters and conduct all their own elections and avoid all schemes of the Chicago politicians to absorb all the rural towns of Cook and DuPage counties and make the county towns pay the political expenses of Chicago. If the country towns go to sleep they may wake up too late and find themselves trapped by the political wire pullers.

Clean Campaigns Are Welcomed by Voters

Clean campaigns scored in Arlington Heights and Palatine last Tuesday. There was not a voter going to the polls that day in either of these towns who had to slide around a corner, hide a specimen ballot or "high hat" a fellow citizen. Strong campaigns were waged but there was no mud slinging and the spring suits of the candidates were as fresh and neat after the election as when the campaign started. There were no regrets for either the winners and losers, which is as it should be.

Approval of the campaigns was freely given around the polls and among the workers were volunteers, however, and it is safe to say that the campaign costs were less than half of what they usually have been in the other campaigns.

The defeated candidates had as much right to become candidates as those who were elected; they are just as good citizens and there is no doubt but that they would have been good officials, had the election results been otherwise.

The people of Arlington Heights and Palatine have no dirt to be cleaned up or white washing of reputations and can spend their entire time and attention in fighting the common enemy, "depression."

Nonpartisan Local Elections Are Endangered

Another piece of legislation that is being viewed with considerable disfavor is the group of bills which propose to hold the township elections and the village elections in November instead of in April as was done this year. Most of the representatives of the country towns are in favor of the non-partisan lines that have aligned friends in village and township politics regardless of county, state and national party lines.

They point out that the changing of the date to the general election in November will inject party politics into all the township and village offices with the result that the non-partisan character of these governments will be affected.

It is not thought that sufficient of the members of the General Assembly can be corralled to vote for this bill but the association feels that every piece of legislation should be scrutinized and the members of the General Assembly representing this district should be informed of the views of the association on these measures.

Country Towns Underrepresented
Speaking of representation, Prof. Merriam, in his LaGrange address commented on the fact that the country towns of Cook county were entitled to far greater representation in the General Assembly as Springfield than they were now enjoying. He understood there were but four representatives in the General Assembly from Cook county towns and thought there should be at least twelve according to the population of this area which is 605,000. It is a fact that the towns of the Cook county suburbs now enjoy in Springfield is two state senators, Huebsch of Brookfield, and Barbour of Evanston, and four members of the lower house, Ickes, Foster, McGrath from the seventh district and Representative Slater of Evanston from the sixth district.

The Suburban Area and Country Towns Association has been demonstrating to Cook County suburbanites that they are not afraid to face issues and assist the various civic organizations in getting all facts in regard to the metropolitan area plan pending at the General Assembly in Springfield.

Prof. Merriam of Chicago university has a plan of his own that involves a state of Chicago and environs with the possible inclusion of a portion of the state of Indiana in the metropolitan district. He opposes the Griffithen plan as being too drastic and declares that no action should be taken without the propositions being submitted to a vote of the people.

When asked, as was Alderman John Massen, of Chicago city council, to show where the proposed plan would work out economy to the taxpayers of the country towns, Prof. Merriam is unable to give any satisfactory answer.

DEFLATION CONTINUED SAY SENATORS

"Iron Debts, Rubber Money." Call for Change of National Policies

Startling news yesterday that the Government has embarked upon a policy of money inflation, or "reflation," will be welcomed by many, especially farmers. That the Administration bill to restore the price parity between agricultural commodities and manufactured articles would fail to bring about the desired results, unless definite steps were taken to cure our money troubles, has been the unanimous opinion of the Senate committee on agriculture. The formal report of the committee had this to say on the subject:

Experts and students of the trend of developments are practically agreed that the deflation process was resumed after the bank holiday. Prior to the bank holiday some 12,000 banks failed, resulting in the destruction of around \$20,000,000 of bank credit or deposit money. With the ending of the holiday, additional thousands of banks failed to open, resulting in the temporary, if not permanent, destruction of additional billions of what we call and use for money.

We report that it is not sufficient to have an ample supply of currency in the vaults of the Federal Reserve Banks, and that it is not even sufficient to have an ample supply of currency in the vaults of the national, state and private banks of the country.

With some \$25,000,000,000 of bank credit, or deposit money, canceled and destroyed, and with the remainder frozen and unobtainable; with much of the actual currency outside of the Treasury hoarded and inactive; with over 40 nations of the world enjoying a lower production cost than the United States by reason of their depreciated currencies, the people without either money or credit are stopped, business is at a standstill and deflation not only continues but is accentuated.

The recommendation of the committee was that the recent policy of deflating the currency and credit of the country be revised, and that a sufficient volume of money be placed in circulation to replace the currency hoarded and to supplement the bank credit and deposit money frozen in the "banks of the country." "Agriculture," declares the committee, "demands an adequate supply of honest and sound money and we report that at this time we have neither."

In appearing before the Senate committee on finance, in connection with its economic inquiry toward the close of the short session of Congress, Louis J. Taber, Master of the National Grange, declared that agriculture is suffering from "iron debts and rubber money." He showed that if a farmer borrowed a dollar in 1919 and now paid it back in terms of farm commodities, he must pay \$1.10. A dollar borrowed in 1926 and paid back on the basis of farm commodities in early 1933, called for \$2.88.

Palatine Woman's Club Closes Year with Luncheon and Election Officers

Mrs. Bertha Thompson was chosen president of the Palatine Woman's club at the annual meeting on Tuesday. Preceding the meeting nearly fifty members participated in the luncheon. The table was decorated in Easter colors and spring flowers, a fitting close for a year that has been filled with many enjoyable and profitable events for the members.

The annual session opened at 2:30 o'clock with the reading of the annual reports of the various committees.

Mrs. Thompson presented a box of blooming perennial plants to Mrs. Butler, the retiring president as a token of the appreciation of the club for her work in organizing the club and service as its president nearly three years. The officers elected for 1933-1934 are: Mrs. Bertha Thompson, president; Margaret Paddock, vice president; Lulu Herrmann, secretary; Dora Skibbe, treasurer; Ida Orth and Myra Fosket, members of executive board.

It Has Happened Before

The suggestion came from "the street" at Arlington Heights Wednesday that the editor used the same headings pertaining to election results at Palatine, Arlington Heights and Mt. Prospect as he did two years ago.

Plentifully Elected by Landslide; Dollinger Is Beaten; Meyn's Entire Ticket Carried, all applies to the election results this year, which all goes to show that history repeats itself at times. Think of all the money that could have been saved and all the effort and campaign talk that would have been unnecessary if the three villages named had only referred to the files of this paper and let it go at that.

Lions Club Check To Go to Church Sun.

The Palatine Lions Club 3-ft. check may get religious Sunday and go to church. Somebody laid a plot to get the check from whoever had it at the time, passing it on to a certain person provided he would drop it in the M. E. collection plate Sunday. Agreed! And the Lions are going to attend services to see that the plot is carried out.

A. G. Smith Closes 18 Years Service on High School Board

If service stripes were given for long public service, A. G. Smith who retired last week as a member of the Palatine Township Board of Education is entitled to several of them. He was one of the "chatter" members of that board which was organized nearly 20 years ago and has been a member continuously ever since, serving as its secretary a large part of that time. Prior to that time, he was a member of the board of Education of District 15, a position which he held over ten years. His name appears upon the corner stone of the grade school building, which was erected in 1914.

He took a prominent part in the early survival efforts of the high school board, had a part in the erection of two school buildings and has been a friend of education all of his life. Mr. Smith also has had children in school all of these years.

The school record of Mr. Wm. G. Ost is not as long as Mr. Smith, but he likewise has served the public in many capacities, a great many years and is today one of the oldest fire chiefs in point of service in the Northwest towns.

Lower Tax Levy
It may not be generally known but the high school board recently took action to lower the 1932 tax levy \$15,000.

Gardens Will Help Unemployed to Aid in Relief Administration

Floyd Hawkins told the Palatine Lions Monday night what the garden committee of the E. W. T. did last year in the way of helping feed those families whose heads were out of work. He also told of plans to extend their activities this summer.

The Lions club is seeking to organize a citizens committee to cooperate with the garden committee so that our own people can join in the good work. There are a great many acres of vacant land adjoining the homes of those upon request and an organized effort to turn unemployed labor to garden work is only fair to those who are paying its cost. A large seed company is cooperating in the work furnishing seed at low cost. Each family in Chicago, which cooperated in the garden plan received \$40 worth of vegetables from a plot of 2500 square feet.

10:00 a. m., Sunday church Bible school, Mr. Harvey Daggett, Supt.
11 a. m., public worship, W. L. Whipple, preaching. Theme: "The Lost Dream." Mr. Theodore Militzer, director of music.

A good audience heard the combined choir sing "The Crucifixion" by Stainer and the hope was expressed that they might repeat the cantata at a later date.

Among the interesting events of the near future is "The Pageant of Brides," that is being sponsored by the Fidelis society. The display of brides in costumes of "Way back when" in this event of May 5, will be most interesting when the ladies may see themselves as others saw them in the days of yore.

The Men's club did not meet this week on Wednesday on account of the Ping Pong tournament which is attracting great crowds. The next meeting of the club will be on May 2, when officers will be elected for the ensuing year and the meetings be discontinued for the summer season.

In addition to the excellent music rendered by the white robed choir on Easter morning, Mr. Jack Everett concluded the musical program with a cornet solo, "The Holy City." The excellent rendition of this number made a very fitting and beautiful closing to the Easter service.

The Gleaners Circle will meet Wednesday evening, April 26, 8 o'clock at the home of Mrs. E. T. Wolf, 217 Louis street, Mt. Prospect. For the devotions, each member will please give a Bible verse.

OBITUARY

MRS. SOPHIA GIPP

Sophia Gipp (nee Krohn) was born October 11, 1854, in Mecklenburg-Schwerin, Germany. She was baptized and confirmed in Mecklenburg, February, 1880. She married Mr. Frederick Burmeister, who, after only two years of marriage, passed away in February 1882. Two children were born of this union, one passing away in infancy. In 1883 with her daughter, mother and two brothers she came to the United States and made their home in Arlington Heights, Ill. In June, 1885, she married Mr. John Gipp, Rev. E. Roeder of St. Peter Ev. Luth. congregation officiating. After that they lived on a farm near Arlington Heights until 1902, when they moved to Arlington Heights. There on June 10, 1905, Mr. Gipp passed away. After that she made her home with her daughter and son-in-law, Mr. and Mrs. Arthur Dieball, Sr., of 414 North Evergreen street, Arlington Heights, where on April 15, 1933, she passed away peacefully at the age of 78 years, 6 months and 4 days. She leaves to mourn her departure, her daughter, Mrs. Arthur Dieball of Arlington Heights; one brother, Mr. Fred Krohn of Arlington Heights; 20 grandchildren and 20 great grandchildren.

Funeral services were Tuesday, April 18, 1933, at 1:30 at the home of her daughter and son-in-law, Mr. and Mrs. Arthur Dieball and at 2 p. m. at St. Peter Ev. Lutheran church, Rev. C. M. Noack and Rev. H. C. Fricke officiating. Funeral arrangements were by Karstens; interment in St. Peter Ev. Lutheran cemetery in Arlington Heights.

LIBRARY BOARD ELECTS; MORE BOOKS NEEDED

At the annual meeting of the Library Board officers were elected as follows: Clarence I. Davis, president; Arthur McElhove, treasurer; F. J. Sachs, secretary.

The Library Board wishes it to be known that funds to purchase books are lacking. Citizens are requested to help in the emergency by donating books they are through with, or those that their children have outgrown. If it is desired books be collected; telephone Mr. Davis or Mr. Jarvis.

The finest donation of books recently was made by Mrs. Max Martz of Stonegate and consisted of over eighty volumes of children's books that were highly appreciated.

Auxiliary of V. F. W. Card party May 3.

Mrs. Antone Horcher of South State road, gave a birthday party for her little daughter, Lucille, who was eight years old Saturday, April 15. A group of her little playmates helped to make Lucille a happy birthday.

Mrs. H. C. Cleveland spent the Easter week-end with her son, Prof. William Cleveland and family at Bloomington, Indiana.

Mr. and Mrs. Edward Fritz and daughter, Laura Katherine, spent Easter week-end with relatives in Wisconsin.

Dr. and Mrs. Howard Dunn spent Easter with Mrs. Dunn's mother and sisters in Chicago.

Mr. and Mrs. Engel of Chicago passed Easter with her parents, Mr. and Mrs. W. C. Muller of West Fremont street.

Miss Anna Beckman is spending her vacation with her sister, Mrs. Droyer at Council Bluffs, Iowa.

Mrs. Walter Fiene attended the funeral of her cousin, Mrs. August Wille at Des Plaines, Thursday last week.

Mr. and Mrs. H. M. Blume drove to Edison Park Easter Sunday to visit his aunt and sisters.

Mr. and Mrs. J. Y. Beaty of Oak Park came over on a business trip last Saturday. They report his mother, Mrs. D. G. Beaty, who is being cared for in their home as on the way to recovery from her recent severe injuries. And happily anticipating when she will be able to come home.

Mrs. Minnie Klemme spent several days last week with Dr. and Mrs. C. P. Draper. From here she went to visit friends at Marengo.

Mr. and Mrs. John Lynch from Congress Park spent Palm Sunday week-end with Mr. and Mrs. H. C. Bolte. They came to help in celebrating the confirmation of the Bolte's daughter, Miss Marjorie.

Mrs. F. A. Whiting has been visiting her sister, Mrs. Austin, Mount Ayn, Iowa, the past week or two.

The Misses Elizabeth and Regina Horcher recently went to Schiller Park to visit their friend, Mrs. Charles Siefloff, who lately returned from passing the winter with her parents, Mr. and Mrs. L. B. Wayman, in Texas.

Mrs. Caroline Fiene, who has long been a sufferer from injuries received in a fall, has now recovered so far as to be able to sit part of the time in a chair. She is looking forward to the time when she may be able to walk a little using crutches. Naturally one of our most active friends. It was a joy to her to sit at the table once more and take her meals, where her children and grandchildren overwhelmed her with watchful kindness. Right here Mrs. Fiene desires to express her sincere appreciation to the group of singers who surprised her Easter morning by coming to sing for her. It was as a dream of heaven come down to hear their joyous Easter anthems. Mrs. Fiene was much comforted and wants these kind singers to know how sincere is her appreciation of their kindly remembering her.

Mr. and Mrs. Harold Fitzpatrick were Easter day dinner guests of her parents, Mr. and Mrs. Joseph Hofstetter.

Mrs. Walter Jaster is spending some time in Chicago, helping to care for her mother, Mrs. Goresch, who has been ill for a long time.

Thursday last week, Mesdames Flodine, Fritz and Garland, were guests of Mrs. Max Stoekel at Des Plaines, in a small afternoon social party.

One day last week Mrs. John Berchold had a pleasant surprise visit from two of her nieces who came from Palatine. This brave woman, so long unable to do her usual tasks, gathers good cheer from the same old birds who come to sing for her and for the budding of spring all about her.

We are reminded that the date given in the Herald last week for the meeting of the parent auxiliary Boy Scouts, was incorrect. The meeting will be held with Mrs. George Schneberger in her home on East Euclid Wednesday, April 26.

Friends of Mrs. Lucile Dix are sorry to learn that she is not fully recovered and has to return to the hospital for a further stay and treatment. Her home is with her daughter at Chicago.

Mrs. Swayne, who has been a guest of her brother, Archie Fessler and family for several days, returned to her home at Madison, Wisconsin last week Thursday.

Saturday last week, April 15, after a lingering illness, Mrs. Sophie Gipp fell asleep to waken in the larger life beyond where sickness and evil never come. In the home of her daughter, Mrs. Arthur Dieball surrounded by her loving children and grandchildren she peacefully went from earth.

The Ever Ready group met Tuesday this week for one of their busy helpful sessions in the home of Mrs. Hugo Behrer. All members present except their dear cheerful Mrs. Beaty, who is expected home Saturday and what a welcome she will be sure to get.

Doctors Dunn and Bauman, our busy dentists, attended a Dental convention in Chicago, Tuesday evening this week.

Just think of our neighbor, Mrs. Doehring crippled and alone, spading up her well kept garden and getting her potatoes and early garden vegetables planted before the middle of April. Her tulips and early spring flowers all well cultivated and in bloom.

Fred Sieburg was kept at home by the gripe Thursday and Friday of last week. Fred is one of the fortunate ones to have steady employment these days, for the C. & N. W. railway and regrets time lost in compulsory rest.

Mr. and Mrs. Reoul Pester had as an Easter dinner guest, Arthur Gross, who is quite alone since Mrs. D. G. Beaty, his kind landlady, has been away. He is looking forward to her return Saturday this week. Trust the Pesterts to look after us lonely folks.

Mrs. W. W. Guild accompanied by her sister, Mrs. Hodgkins, went to the city last week Thursday to pay a closing call to the doctor who has taken care of her fractured hand and arm. We hope it will soon be good as new.

W. B. Beardsley, who has been in New York visiting his brother, Prof. Louis Beardsley, has decided at the urgent request of his family at home to prolong his stay that

he may visit his early home near Ithaca and spend some time in Washington, a place he has never visited. He may return through Virginia and call on our old friends, the Zolls, who will be remembered by many here. Mr. Zoll was principal of the school when the high school was not yet built.

The Presbyterian church Pastor and people had great reason to "thank God and take courage" Easter Sunday, when the church was jammed to the last inch of seating space, when 24 new members were received into the church, nearly all adults. The pastor was inspired to preach one of his most fervent gospel sermons. The music, the joyous Easter promise and the wonderful offering, the largest ever received in this church. Humble thanks should be given to God for all these blessings, and in His name we should go forward to better and more earnest service.

Lorraine Blume on South Danton street, celebrated her eighth birthday Easter Sunday by entertaining some of her little girl friends and her grandparents.

Mrs. Holmes of Campbell street and daughter, Yvonne, spent Wednesday in Chicago and were treated to the enjoyment of the play, "The Family Upstairs." Yvonne is convalescing from an attack of pneumonia and its distressing after effects.

Dr. Bauman has rented the Ernest Hetz place, corner of Willow and Highland, taking possession May 1.

Indoor Baseball At Public School

Coach Vanderhook of the North Public school has 40 boys organized to play indoor or soft baseball, and divided into four teams of 10 boys each. They will play a series of games as opportunity permits. Games may be played Monday and Wednesday next week. On Thursday last week teams 1 and 2 played and No. 1 won 9 to 10. This week the operaeta interfered with baseball. A conference baseball team will be chosen also.

IMPORTANT NOTICE
The annual meeting of the Arlington Heights Cemetery association will be held in the Arlington Heights State Bank on Monday evening, May 1, 1933, at 8 p. m. All owners are members of this association and are urged to be present, as important decisions must be made.

South Side Breezes

A. O. Williams of Rockford, Ill. has been visiting the past week with his son, Paul Williams and family.

Mr. and Mrs. C. I. Davis entertained relatives from Wilmette, Easter Sunday.

Mr. and Mrs. Utterback and Billy Dean visited friends in Mt. Prospect, Sunday.

Mr. and Mrs. Atkinson enjoyed Sunday dinner with friends at Hotel Chateau in Oak Park.

Mr. and Mrs. Mitchell enjoyed a happy Easter. Their children, Mr. and Mrs. G. R. Gordon and Mr. and Mrs. S. P. Mulley spent the day with them.

The Arlington Heights-Des Plaines Card club is meeting Friday with a Des Plaines member.

Tuesday, Mrs. Wm. Kopplin, Mrs. Wm. Kelo, Mrs. Howard Helm and Mrs. B. T. Best attended the Northwest Suburban Ladies' Aid meeting at Edison Park.

The Gleaners will meet next Wednesday with Mrs. E. T. Wolf in Mount Prospect.

Mr. and Mrs. Victor Pecchia and Jimmy spent the week-end in Chicago with Mr. and Mrs. Lipinski.

Miss Helen Fraley of Toledo, Ohio is visiting her sister, Mrs. O. G. Barrett.

Mrs. Damia Lawbaugh of Manning, Iowa, is visiting her son, Roy E. Lawbaugh and family.

W. H. Harrison and family of Bensenville were Sunday evening callers at Lawbaugh's.

Mr. and Mrs. C. C. Compton and children came from Champlain Friday and visited at O. G. Barrett's until Sunday. While they were here was a good time for the Farm Bureau force to get together, which they did Saturday evening at Barrett's. Mr. and Mrs. I. D. Allison of Chicago came out to join in the fun.

Mrs. Albert Cavanaugh, who has been a shut-in for several weeks, was able to get out and vote Tuesday. We hope that she will continue to improve.

ARLINGTON P.T.A. ELECTS NEW OFFICERS

Dental Clinic Has Boom Business After Survey in Schools

At the Arlington Heights P. T. A. Tuesday night Mrs. Raymond Atkinson was elected president, Mr. George Davidson vice president; Mrs. Archie Fessler, secretary; Mr. C. I. Davis, treasurer; Mrs. Milton Daniels, secretary. Election was unanimous as recommended by the nominating committee.

Miss Martha Jackson, community nurse, at the request of the Dental Clinic committee, Mrs. W. Ankley, chairman, reported progress in dental corrections in the schools following the recent dental survey. The bad cases are being taken care of first; Tuesday afternoon there were 12 patients treated and 23 extractions. These individuals were then generally advanced to the rank of "fair." Cases less urgent will be taken in turn on Tuesdays. The five dentists in Arlington Heights are taking their turns in donating services, and those who are not able to pay a dentist are cared for at these clinics. Appreciation was expressed of previous help the P. T. A. has given the clinic, and at this meeting a free will offering was taken for it, amounting to \$4.25.

Only a fair attendance was had, as many of the men were attracted away to watch election returns and to attend the local ping pong tournament. Mrs. Atkinson, membership chairman, announced that as it has seemed impossible to keep any goldfish in the school, that instead of the goldfish bowls as room awards, flower pots in shape of fishes would be used, containing plants. Miss Martin's third grade room in the North school, and Miss Nelson's second and third in the South school, won the awards for parent attendance at this meeting.

Mrs. B. H. Jarvis, leader of the Child Study group, announced that at its next meeting the third Monday in May, "Occupational Play" will be the topic, the discussion being of special interest to mothers of children of the kindergarten and first grade.

Business concluded, the meeting was turned over to the chairman, Mrs. George Schneberger, who introduced speakers and readers of leading articles in P. T. A. magazines, discussion following: Mrs. Moodie, Mrs. Atkinson, Mrs. Peters, Mrs. Burns and Mrs. Holmes.

Installation of officers will be at the next meeting, May 16.

Senior Class Play Presented Next Week

Friday, April 28, the senior class of Arlington Heights Township High School will present its annual class play, "Skidding," under the direction of Miss Marion White. The play, which is a comedy in three acts written by Aurania Rouveroff shows a fresh, sincere picture of American family life. Humor is blended with pathos and a deliciously garnished philosophy makes "Skidding" more significant than the average comedy.

The cast is as follows: Marion Hardy, Marjorie Gieseke; Mrs. Hardy, Mary Edith Burke; Paul Hardy, Campbell, Elvera Landmeier; Myra Hardy Wilcox, Lydia Gehlke; Grandpa Hardy, James Kellogg; Mr. Hardy, William Ratelke; Andy Hardy, Charles Rozner; Wayne Trenton, Robert Roth; Mrs. Stubbins, Leland Helwig; Aunt Lily, Dorothy Landeck. Tickets for the play may be purchased for 35 cents after April 21, at Sieburg's Drug Store. All seats will be reserved.

Arlington Heights Village Board in A Short Meeting

The Arlington Heights Village Board held a short meeting Monday night, all being present. The usual reading of the minutes by the clerk preceded reports of committees. The buildings and grounds, and water committees had no reports. Trustee George Schaefer, chairman of the Streets and Lighting committee, reported jobs done around town.

Trustee Framberg, chairman of the Sewer committee, reported employing men to open up a ditch by West Campbell street to drain a sewer going under the road. Mr. Framberg asked that the workmen, who had to work deep in mire, be given suitable compensation. Mention was made of a break in the sewer across the highway from the treatment plant where a washout has occurred, and which must be repaired.

A shipment of chlorine for the outlet of the treatment plant, has been received. The operation was to be done Tuesday, and the plant put back in operation afterward. The report was accepted. The Finance committee, Mr. Krause chairman, presented a list of current bills and payroll amounting to \$1,537.92, as given below: recommending that the list be approved; that those bills that could be paid by time warrants be so paid; that other bills be paid at such time that cash should become available.

The report was accepted. There being no communications, Mr. Flentie, president of the board, asked if anyone in the room had anything to bring up. There was no response.

Copies of the regular monthly statement of the village treasurer as of March 31, 1933, were distributed. There remained a deficit in the general fund of \$6,265.79; however \$4,863.03 in time warrants had been paid during March; there had been receipts of \$4,955.48. There remained a balance in the water fund of \$5,186.72; \$1,539.46 in the Vehicle fund; \$1,086.40 in the Road and Bridge fund. General obligation bonds (Well and Pump fund and Fire station and equipment bonds) were in default to the amount of \$2,725. It was moved, seconded and carried that the statement be referred to the Finance committee.

Village Attorney Thal reported that there were no new developments in the Big Sewer case. He read a letter from Spencer, White and Prentiss, general contractors, in regard to interest on bonds on the Big Sewer job. Mr. Flentie said that this company had not cleaned up their bills around town, and that a subcontractor, Pontarelli, had not "cleaned up" after operations. It was moved, seconded and carried, not to release this contractor from any bonds until he has discharged his obligations to the village in the way of "cleaning up" the ground.

Mr. Flentie asked again if anyone in the room had any matter to present to the board. No one responded. The board then adjourned; to meet again Friday at 7:30 o'clock to canvass the vote at the village election.

Bills and payroll referred to above were as follows: Pub. Ser. Co., Lt. & Pow. 63.58 H. Austin T. Co., towels 1.50 H. Bell Tel. Co., ser. 10.08 Pub. Ser. Co., lamps 11.01 The M. B. Merle Guild Post

If you were one of the members who missed out on our combined Cub, Boy Scout and Legion meeting a week ago Tuesday, all we can say is that you missed something new in Post activities and something very good.

There were about 60 of the finest young gentlemen in the world out to our meeting, boys that their parents and the town can be proud and boast of. The first thing on the program was the supper and how the boys and big boys enjoyed this, there was plenty to go around.

After the meal the boys sat in for the regular Legion meeting and after that Comrade Arnold Johnson, a glider plane expert, spoke to the boys on building model planes. Mr. Johnson had a number of planes with him and flew some of them around in the room. He was a very interesting speaker and said that he would bring out some of his planes this summer and fly them in town and when he does, make it a point to be there, you'll be surprised how interesting it is. And now don't, for one moment think our scouts weren't interested. We have some very keen minds among these boys as shown by the intelligent questions asked Mr. Johnson. In addition to being a model plane enthusiast, Mr. Johnson is a very clever slight of hand artist and showed us a number of card and handkerchief tricks. The meeting ended about 10:15 and all present voted it one successful meeting and here is hoping that Bill Bockmeyer gets a few more brilliant ideas such as this. It was a wow and the Post sure is lucky to have him as its Commander.

Don't forget our next meeting, a lot of interesting things will come up and one of them is our soft ball team to be entered in the Arlington Heights league. Mussolini will send you a fifty card to further remind you of our next meeting, Tuesday, April 25.

Stainers' famous cantata, "The Crucifixion" was well given last Sunday evening at the Methodist church in Arlington Heights by the combined choirs of that church and the Methodist church in Palatine. Soloists were Marvin C. Greener, Palatine, bass; Mr. G. Beilerdorf, grade school teacher of Palatine, tenor; Mrs. Fred Tesch, Arlington Heights, soprano. The cantata was conducted by Mr. Theodore Miltzer, Miss Mercie Heise at the organ.

Arlington Meets Bensenville in First Track Meet

Arlington's thinly clad won the annual Bensenville double-header dual track meet last Friday. After less than a week's practice Arlington showed enough strength to build up a big lead that Bensenville could not overcome. Minus its stars of last year, Bensenville's squad seems to be weaker at present than in the past two or three years although several of the boys show promise of developing. The coldness of the day kept the times of the events high and the distances low.

Arlington Girl Scouts Give Program Boosting Camp Hickory Hill

(Left out last week)
Girl Scouts of Arlington Heights, with the cooperation of the parents' auxiliary, held a program at the South school April 6, to promote interest in Camp Hickory Hill, near Edgerton, Wis.

The meeting opened by presenting the colors, Margaret Garland and Mabel Evans acting as color bearers; the salute pledge, promise and Scout laws followed.

Mrs. Albert Hauptli, as chairman, introduced the speaker, Miss Hodgins, Scout leader of Des Plaines, who gave a very interesting description of the camp, speaking especially to parents to relieve them of any fear they might have that their daughters might not be fully protected from any danger at camp. Two moving picture reels of life at the camp were shown. Pictures mounted about the room showed Arlington Heights girls at the camp. A clever by-plot while the room was darkened represented a girl talking to her chum about the good times she had there. After the pictures were shown, the Arlington Heights girls sat about an artificial camp fire, singing the campfire songs.

At the close of the program there was a rush for application blanks, there being hardly enough. Mount Prospect Girl Scouts attended as guests.

Girl Scouts, Troop 1

The next meeting of our troop is to be at Lois Baldwin's home at 7:30 p. m. This is to be quite a special meeting as we are going to decide what we will do if anything, to entertain at the next Parent Teachers Association meeting. We are going to practice signaling, so this should be another attraction. The older girls would like to have more in their group. Please try to come out.

Scribe: Lois Baskin.

Mascouten Camp Fire Girls

Ruth Duwe

Thursday night we were disappointed by the weather. We were to hike to Marjorie Baumann's house and study the stars. The rain and cold weather wouldn't have kept us in, but the sky was cloudy and no stars were to be seen.

A part of the evening was spent in singing and dancing folk dances. Some were busy with their original plays for original play night, one week from Thursday. The rest of the evening was spent in the dark. Everyone took chances at telling ghost stories. When the time for adjournment came almost everyone was afraid to walk home alone. Some even called their mothers to get them.

Next week we are to make scrap books on the life and character of the members of the group. All attending were asked to bring scissors and magazines to prepare for this. The meeting takes place in the Community hall on Thursday at 7:30 p. m.

Legion Barn Dance

Don't forget the Big Legion Barn Dance Saturday, April 22, at Moehling's Barn, Central road, one half mile west of State road.

Dance the whole evening to good music for 25c a person.

Refreshments of all kinds. Come, rain or shine.

Food Sale

MT. PROSPECT PUBLIC SCHOOL

6, 7, 8 Grades

Lois Baldwin

The sixth grade received a new pupil Tuesday. She is Betty Jane Rosse and lives on Wa Pella avenue.

The class has been put into units for making different topics on "Alaska." There are two people working on a unit.

The seventh grade have been learning the names of different parts of circles and triangles as well as how to work the problems.

The eighth graders are very happy to announce that Joyce Wal-lentin was chosen to say the "Declaration Speech," of which the title was, "Chicago, A Century of Progress," by David J. Hefferman.

Juanita Davis was picked as the best speller.

The group of children, including Joyce Walentin, Juanita Davis, and Edwin Parke, went to the Wheeling school for the declamatory, spelling and health poster contests. Joyce won second prize, Juanita won third prize and Edwin's poster got second prize. We're mighty proud of our school and hope that our parents and town is too.

Every member came back after the Easter vacation except Willard Pohlman.

Prospect Post No. 1337, Veterans of Foreign Wars

The regular meeting of Prospect Post No. 1337, Veterans of Foreign Wars, will take place next week Friday, April 28, in the Community hall at 8 p. m.

Announce School Board Meeting on Thursday Evening

Arrangements were made for regular meetings of the local public school board to be held the third Thursday evening of each month at an organization meeting of the new board, including the four recently elected members and the three hold-over members held last Friday evening.

The meetings will be held regularly at 8 p. m. in the public school building and anyone interested in the public school is welcome to attend any or all of the meetings, the board announced.

Vaughn C. Bacon, who was one of the new members elected, was selected secretary of the board at the organization meeting presided over by R. E. Salzman, the new president.

The next meeting of the board will be held Thursday, April 20. No definite plans have been made for any drastic changes in the operation of the public school and it is not anticipated that any such action will be taken.

With the cooperation of the more experienced members of the board and others interested in the schools the newly elected board members expect to take the time to study the present situation carefully from every angle before taking any steps toward making the changes they may find to be to the best interests of pupils and taxpayers.

Progressives Parade Following Official Canvass of the Vote

Celebration by the victorious Progressive party was started shortly after the dinner hour Tuesday with the traditional parade of automobiles throughout the village.

Headed by a motorcycle policeman, the long line of cars, approximately four blocks long, rolled around the streets of the village with sirens and horns blowing, accompanied by the usual shouting.

This followed a continuation of the regular April meeting of the village board, when the board members officially canvassed the vote and declared the winners.

From the length of the parade it appeared as if all those who voted for any of the Progressive candidates, as well as the 371 straight Progressive votes, were in the cars.

The parade terminated early in the evening, after visiting nearly every part of the village, and the group assembled for a party of jubilation over the victory. Aside from the main party many others were held in private homes, including the residences of the defeated candidates.

Public School Group To Meet Next Monday

The following notice of a meeting of the Public School Welfare Association was issued this week by Mrs. L. G. Johnson, secretary:

"The Public School Welfare Association will meet at the Public school Monday evening, April 24, at 8:30 p. m.

"Matters of interest, dealing with both the future of the organization and the welfare of the school will be discussed.

"All interested residents of Mt. Prospect are invited and urged to be present."

Next Tuesday Last Day For Water Discounts

Next Tuesday, April 25, is the last day the 20 per cent discount will be allowed on water bills issued by the village last week.

As was announced the bills read that a 1 per cent discount is to be allowed due to a clerical error.

All users are urged to pay their bills by next Tuesday the mutual benefit of the village and patrons of the water system.

Last Call on Clean-up Day Service April 25

Time to get the trash and old tin cans, that have accumulated in your basement this winter, out of the way.

Next Tuesday morning, April 25, the village will start picking up all trash and tin cans, placed near the curb in proper containers, such as cartons or sacks, to assist all residents in their spring clean-up.

This will be the last announcement in the newspaper before Clean-up day.

Dr. Lee to Address Sunday Evening Club

Dr. Judson F. Lee will speak on the depression and its causes at the Sunday Evening club this Sunday from 6:30 to 7:30 p. m. in the Community hall.

The subject for discussion will be, "Has the depression been caused by a disregard of well-known principles of Christian justice, or by the rise of new factors in our industrial and economic order, which we have not yet learned to control?"

All men and women of the community are invited to take part in discussing this interesting and timely topic.

Beer Is Sold Here Under Federal and State Regulations

Beer will continue to be sold in Mt. Prospect under state and federal laws only until action may be taken by the village board after May 1.

At a special meeting of the village board held April 5, to consider what action would be advisable regarding beer sales in the village it was decided to permit such sales under the soft drink license of \$20.

Further action might be taken in the future, it was indicated. However the board members felt that they should await future developments regarding both state and federal regulation, as well as the results of the village election this week.

Meantime beer was being sold both at Kruse's and the Blackwood Inn and a few distributing firms, the B. M. Schlitz Sales Co. was organized to handle wholesale distribution in this territory. The owners and operators of this company are Frank J. Biermann, of the Busse-Biermann Hardware Co., and Fred Meeske, who owns and operates the grocery store under his name.

EDITOR'S NOTE

In our issue of April 14th, the name of Herman F. Meyn was mentioned in a manner that might be interpreted as being derogative to that gentleman. The editor wants to state that he has nothing but the highest regard for Mr. Meyn and believes him to be sincere and honest in any statement made or signed by him and published in the Mt. Prospect Herald.

The question as to whether or not interest on funds were paid to the village is something in which the Herald is not interested or inclined to discuss, but the Herald does want to go on record as believing that Mr. Meyn is not alone a good mayor but also a man who is honest and conscientious. If the article in question has been taken as reflecting upon Mr. Meyn, the editor expresses his regret. It is a policy of this paper to be fair to all parties in a political controversy and to avoid personalities and none was intended against Mr. Meyn.

WHEELING

Mrs. G. Sicks and John Sicks motored to Dubuque to spend the Easter holiday.

Mr. and Mrs. R. Sandeen spent Easter with Mrs. Sandeen's parents.

The Leo Scheid family have moved into the flat above the Well-flin store.

We are glad to note that Mr. J. Belmore, Sr., who has been confined to his home with rheumatism all winter, has improved sufficiently to permit his walking to his place of business.

Mr. and Mrs. Geo. Periolat, of Chicago, spent Easter Sunday with relatives here.

Mr. and Mrs. Chas. Armbruster were also Wheeling visitors on Sunday.

Mrs. J. C. Bollenbach and her sons, having returned from New Jersey, are planning on remodeling their home here, where they will again take up their residence. We are glad to welcome their return to the village.

Mr. and Mrs. J. A. Schminke entertained company at their home on Easter.

With the approach of the summer season the Saturday evening open house activities at Childerly Community Center will soon be drawing to a close. The schedule for the remainder of the season is as follows: Saturday, April 22, social dancing; Saturday, April 23, square dancing; Saturday, May 6, will be the last open house of the season and will be a banquet to which all holding adult membership will be invited. This promises to be the grand climax of the year and all members are urged to reserve the date.

CARD OF THANKS

The candidates of the Progressive party in Wheeling, just elected by the voters of the village, desire to express their thanks for the confidence in them thus expressed. We hope our service on the board will justly fulfill that confidence.

ELECTRICITY TO DECLARE BET ODDS

New Totalizer, Costing
\$250,000 To Be Installed
at Arlington Park

Construction of an all-electric totalizer, embodying many improvements over the machines at Hialeah Park, English and French tracks, was started Monday at Arlington Park. A force of 30 men, of whom 15 are technical experts, are engaged on the job, which will be under the direct supervision of H. L. Straus, president of the American Totalizer Company. Its cost will be approximately \$250,000.

"An exhaustive study of the operations of 'totes' all over the country, though trial of the improvements fostered by Mr. Straus have convinced us of the new machine's worth," Mr. Lehmann said today in announcing the start of construction. "We are happy to say that Arlington's new totalizer removes all mystery from the betting."

The totalizer to be installed at Arlington Park, Mr. Straus said, is operated by electricity in all its parts, even to calculating the odds. This improvement over the machines at Hialeah Park, English and French tracks, whose operations involve many belts and pulleys, is a result of several years' research and experimenting by engineers of the General Electric Company's automatic switchgear department at West Philadelphia, Mr. Straus reported.

"All persons who have seen the new machine in operation at the factory are confident it will fulfill every demand made upon it by the most discriminating racing patron," the constructing engineer said.

Two carloads of copper cable have been unloaded at Arlington Park ready to be connected with 150 ticket-issuing machines, which also will be operated by electricity. When the contract is completed, he added, there will be 230 miles of wire in position, connecting the ticket-issuing machines in the grandstand, clubhouse and Post and Paddock club with the calculating apparatus, which in turn will be connected with the three odds boards, one of which will be in the infield and the others in the clubhouse and grandstand enclosures.

"No longer will they be known as approximate odds boards," Mr. Straus said, "as Arlington's new totalizer removes all guesswork because of the speed of its operation. The boards will be able to report the volume of betting on each horse as well as the odds against each one at all times, but probably the boards will be controlled and changed only at stated intervals due to confusion caused by the constant changing of figures."

Another new feature of the Arlington totalizer is incorporated in its odds boards, it was pointed out, in that they will also display the volume of betting in the place and show pools as well as the amount of money wagered on each horse. It is impossible to give the odds place and show because the horses finishing in the money are unknown.

Construction of the Arlington totalizer is expected to take six weeks with much of this time being devoted to installation of the cables, the tote official said. The ticket-issuing machines, control boards and calculating machine are now being constructed at the factories and will be ready for installation upon their arrival at Arlington Park. In order that the entire apparatus is in perfect order for the 30-day meeting commencing June 26, the totalizer will be given a trial operation daily for several weeks preceding the opening, Mr. Straus concluded.

Bargain Night Shows
Tuesday; "Cynara"
Wednesday at Catlow

The bargain night show, next Tuesday, at the Catlow theatre features six noted stars in "The Face in the Sky." Spencer Tracy and Marion Nixon, play the romantic roles with the support of "Stu" Irwin, Sam Hardy, Lila Lee and Sarah Padden. "The Face in the Sky" is the wistful love story of two dreamers, one a little Vermont girl, the other, a vagabond signboard artist. The story is fanciful and shot with numerous comedy flashes. Together with the short subjects, it will provide a splendid evening's entertainment.

Ronald Coleman's pictures are eventful, not only in Hollywood, where pictures are made, but in every spot on the globe where good pictures are looked forward to. His last picture, "Cynara," which will be presented at the Catlow theatre next Wednesday and Thursday nights is a very human theme kept at all times within the bounds of artistic simplicity. It tells the story of a man and wife, devoted, upright and faithful, and of how when the wife goes away, the husband becomes involved with a shop-girl. Later the wife comes home to contemplate the wreck of their lives, and to face with him the task of building anew. It is a turn of the wheel of life that might happen to anyone. There are no dramatics, no villainies. But so well acted, that it is already being confidently mentioned as a candidate for one of the ten best pictures of the year. Kay Francis and Phyllis Barry head the well-chosen supporting cast.

DICK POWELL
AT CHICAGO

Dick Powell, the singing star of that sensational musical talking picture, "42nd Street," will appear in person at the Chicago Theatre during the week of Friday, April 21.

Talkie fans who have seen "42nd Street" will no doubt recall Powell as the handsome and talented young man who played opposite Ruby Keeler and sang the hit songs of the pictures "42nd Street" and "Young and Healthy."

Few people know that Powell was originally on the vaudeville stage. He was a tremendous success, acting as a singing master of ceremonies at the Stanley Theatre in Pittsburgh. So popular was his regime there that movie moguls

Theatre Notes

"Rasputin," with Three
Barrymores, McVickers

"Rasputin and the Empress," sensational drama of the fall of the Romanoffs, with John, Ethel and Lionel Barrymore together on the screen for the first time, has been shifted from the Chicago Theatre, where it played to record-breaking crowds, all week. The picture is now playing at the McVickers Theatre.

Based on happenings within the memory of the present generation, the picture's episodes present a replica of the most colorful royal court in the world, thus including the spectacle of a "period" picture while still remaining strictly a modern story. Ethel Barrymore plays the Empress, John is cast as Prince Chegodieff, and Lionel is to be seen as the "Holy Devil" in the pictureization of the downfall of the Empire and the rise of the Bolshevik regime. In every case perfect makeup makes the characters exact replicas of the originals.

Intense dramatic material is contained in the hypnotizing of the little Prince by Rasputin, in his intrigues and orgies and in the vengeance of the nobles after his tampering has sent the empire on its way to ruin.

The cast in support of the Barrymores includes Ralph Morgan, Diana Wynyard, Tad Alexander, C. Henry Gordon and Edward Arnold.

Mary Pickford
at United Artists

When Mary Pickford was knocked unconscious by a 150-pound studio light that fell on her during the filming of "Secrets," now showing at the United Artists Theatre, she remarked to members of the technical crew, after quickly recovering and resuming work: "If that is likely to happen again, I hope they cut the lights down to my size."

The star's narrow escape occurred while electricians were changing the set-up between scenes.

One of the large lights slipped its moorings and crashed down upon the star, striking her on the head. Douglas Fairbanks had been visiting her on the set and was a few feet away when the accident occurred. He was the first to reach his wife, who was knocked unconscious by the blow, and quickly carried her to a nearby dressing room, where first aid was rendered by Dr. Geoffrey Grace, in charge of the studio emergency hospital.

Thorough examination disclosed only bruises, scratches and contusions—and a miraculous escape from serious injury.

Paul Lukas
At the Roosevelt

Paul Lukas and Loretta Young are teamed together for the first time in "Grand Slam," which is now playing at the Roosevelt Theatre.

They play the roles of a bridal couple who spend their honeymoon giving exhibition games of bridge in which they expound a new system by which husband and wife may play without quarreling. They are heralded everywhere as America's "bridge sweethearts," and make a triumphal tour of the country.

The picture is a comedy treatment of the American bridge craze, with its tournaments and championship contests, its battles and its bickering. Its dialogue is snappy and sparkling while the action is filled with uproariously funny situations.

Miss Young and Lukas do excellent teamwork in the picture, whether playing the game of love or war, of which there is plenty of both.

Maurice Chevalier
Now at the Oriental

Maurice Chevalier's latest starring picture, "A Bedtime Story," is now playing at the Oriental Theatre.

The famed French star's pouted lower lip and straw hat are set off against a background which includes Helen Twelvetrees, Edward Everett Horton, Adrienne Ames, and Baby Leroy, the year-old youngster who won himself the role in the picture in competition with a thousand other babies his own age.

"A Bedtime Story" is the tale of a new Chevalier who goes in a big way for the "babies." But, in this case, it's the one-year-old babe he's interested in and not the feminine type he's pursued and been pursued by in his previous pictures. He abandons romances in scattered salons for romancing at his hearth. This fact is accomplished after he finds a baby deserted in his automobile, and is so intrigued by it he decides to raise it himself. He calls in a nurse to help in the task, and is soon pretty thoroughly intrigued by her, too. But there are numerous humorous complications before everything is straightened out.

DICK POWELL
AT CHICAGO

Dick Powell, the singing star of that sensational musical talking picture, "42nd Street," will appear in person at the Chicago Theatre during the week of Friday, April 21.

Tomato Is Tender
But Early Crop Is
The Profit Maker

Urbana, Ill.—Illinois was growing a total of 9,568 acres of tomatoes valued at \$1,172,577 in the last census, but it's the early crop that brings the highest price and pays the greatest return, according to J. P. McCollum, of the oleiculture division, College of Agriculture, University of Illinois.

Although the tomato is relatively tender and will not stand frost, a number of precautions may be taken to insure an early crop, he said. Instead of attempting to obtain earliness by setting in the field before weather conditions are favorable, growers should use an early variety, properly grown and planted in a soil conducive to earliness, he said.

"The seed should be sown 10 to 12 weeks before the time of outdoor planting in order to have large plants. If the plants are close together, facilities should be available for transplanting them to prevent legginess. A large, stocky plant is what is desired. Tomatoes may, however, be started too early. If the plants get too big and set fruit before they are taken to the field, the growth will be stunted and ripening delayed. There is an advantage both in earliness and total yield of plants started in pots over those started in flats.

"Tomato plants should be hardened before they are taken to the field. This usually is done by subjecting them to outdoor conditions or by allowing the soil to dry. Anything that checks growth results in hardening. The process should not be too severe. Tomatoes can not be hardened enough to make them withstand freezing."

"As soon as the frost period is over, the plants should be set in a well-drained, sandy loam soil. A heavy wet soil will check the early growth and delay the maturity of the fruit."

DO YOU PING
OR DO YOU PONG?

All ping-pong players in the northwest suburban area are eyeing the tournament Saturday next week at the Pickwick clubrooms at Park Ridge. The only champions who will be there are home cellar champs, and how they are sharpening up their eyes with a side glance now and then for the beautiful silver cups offered by the Pickwick Theatre, to the men's singles, women's singles and doubles champions.

True, there will be nationally famous ping-pong players at the finals, but they will be there to give an exhibition, not to enter the tournament. So take your shot at one of these cups.

Miss Jessie Purves, the sport-talented teacher from Maine high, will give an exhibition and show how she won the National Women's Ping-Pong championship. She will play Mrs. Kay Hammond of Chicago, who has a high national ranking. Yoshio Fushimi, sensational Japanese champion, will oppose one of two players. His opponent will be either Coleman Clark, 1932 National Champion and the Mid-West's foremost exponent of ping-pong, or Wilbur Larson, who holds so many titles and has won so many cups that all other home decorations went into the alley.

The Western Ping-Pong association has just sent its official sanction of the tournament and with each cup will go the title of Northwest Suburban Champion, in each event.

Mail your entry today, or bring it to the Pickwick Theatre box office where entry blanks are available. Entry fee per person in singles or per team in doubles is 50c. By mail, be sure to state name, address, phone number, and event you wish to enter.

got wind of this personable young man from "Out East." Then followed a trip to Hollywood and instantaneous success as a leading man.

In his appearance at the Chicago, Dick will cavort in the same manner in which he acted at the Stanley Theatre. He will joke and sing many numbers, including "42nd Street" and "Young and Healthy."

As a glowing tribute to her successful tribute in motion pictures the past year, Warner Bros. studios have elevated Bette Davis to hide which is the last word in modern stories. "Ex-Lady," which will occupy the screen portion of the program at the Chicago during the week of April 21.

Mrs. Ickes' Economy
Measure Voted Down

A real economy measure was voted down by the Democrats in the House at Springfield last week. Mrs. Harold L. Ickes, Republican, from the Seventh district, wanted to place all public administrators on a salary. The salary in Cook county could not have been over \$10,000; in counties of from 100,000 to 250,000 population, not over \$7,500; in counties of less than 100,000 population not over \$5,000. In no case could the salary be paid unless it had been collected in fees and all fees over the salary would go into the county funds to reduce taxes on property. The administrator in Cook county is said to make from \$100,000 to \$300,000 a year, depending on who dies intestate.

The bill mustered 76 votes on a majority, and a motion to suspend proceedings was carried to insure another vote later on. The Ickes plan would take a lot of "political fat" out of the Governor's personal patronage it was held.

Horner's Sales Tax
Exacted of Paupers

Gov. Horner is possibly the only ruler in the history of the world who has been able to exact taxes from paupers. When a man or woman on the unemployment relief dole now goes to a store for groceries he or she has to lay down \$1.15 with a \$5 relief order, or take \$4.85 in goods.

"Collations"
The term "collation," denoting refreshment, was originally confined to the light evening refectory of monks, and is supposed to have been named from the Collations of Cassianus, read in Benedictine monasteries before the repasts.

WHAT'S DOING IN SCOUTING

Friday, April 21, 8 p. m.—Chicago Area First Aid contest, University of Chicago.

Wednesday, April 26, 7:30 p. m.—Second meeting, University of Scouting, Des Plaines, Congregational church.

Thursday, April 27, 7:30 p. m.—Wheeling Troop 18 Charter presentation.

Friday, April 28, 8:00 p. m. Niles Township District committee meeting, Niles Center.

SUCCESSFUL MEETING MARKS OPENING OF UNIVERSITY OF SCOUTING

A large attendance of Scout leaders and fathers of boys marked the opening of the University of Scouting, the spring training course conducted by the Northwest Suburban Scout Council, in the boy scout room of the Des Plaines Congregational church, Wednesday evening. The course is not just one type of training but five distinctly different courses operating at the same time. The course in Elementary Scoutmastership is under the supervision of R. E. Baker of Park Ridge; the approved Scoutmastership section has Herman McElhose of Arlington Heights and E. J. Anderson of Des Plaines as leaders; Cubbing by the Cub committee; Seascouting by that committee; Scoutmaster E. H. Stehman of Park Ridge. Each group was well attended.

The second meeting of the course will be held next Wednesday at the same place.

Plans for Scout Rally Completed

An announcement this week from the headquarters of the Northwest Suburban Council indicates plans for the great Spring Rally at Lions Park, Des Plaines on Saturday, May 6, practically complete. With a program starting at 9 o'clock in the morning and continuing throughout the day and evening those in charge assure every boy Scout attending a fine and an interesting "show" for all adults. Many troops will come prepared to spend the night and return to their homes the following day. Preparations are being made for adequate supervision for this camping phase of the affair.

All Boys Invited

A special effort is being made to get all boys to attend the rally whether scouts or not. The morning program is entirely open to all boys. This will include the kite flying and model airplane events. A cross country steeple chase is also being planned. At noon the scoutcraft competition will start. This will include a water boiling contest and a flapjack cooking event. These were two of the most interesting events in last year's rally. The afternoon program will include many other types of competition such as scout pace contest, fire by friction and flint and steel contest, tent pitching contest, knot tying contest, signaling contests, signal tower race, undressing and dressing contest, drill contest. First, Second and Third place ribbons will be awarded for each event. These will be attached to the troop flags during the retreat ceremony at 6:00 p. m.

Huge Campfire in Evening

The day's program will be climaxed with a huge campfire and program at 8 o'clock. Some of the features of this program will be: A troop song competition, an Indian tenderfoot investiture ceremony by troop 1 of Park Ridge, musical numbers by the string band of troop 6 of Des Plaines. Other surprise numbers will complete the program.

Banners will be awarded the troops that have the largest number of their members attend, the largest percentage of guests.

Staff Completed

Mr. Anderson has selected the following men to assist him: Assistant Director, Herman McElhose; Head Judge, T. M. Whitson; referee, Wm. A. Miles; Officer of the Day, F. O. Proctor; Overnight Camp Director, S. A. Stenson; Grounds Supervisor, P. R. Harshbarger; Publicity, E. E. Friganza; Announcer, J. P. Fritz; Entertainment, Harland Roden; Campfire Director, Wm. Verity; Attendance, J. K. White; Prizes and Awards, J. O. Carr; Scorekeeper, Earle Henderson; timekeeper, William Verity; Starter, Gray Sanborn. The Gim-O-Gash, an honorary organization of older scouts, will operate a refreshment stand for convenience of those attending.

Members of the Executive Board of the Northwest Suburban Council are being invited to act as judges.

Kate Smith Fights Power Combine in Exciting Picture

Kate Smith in "Hello Everybody," which is playing the Catlow theatre Friday and Saturday, is no longer simply a voice on the air, but becomes a real screen personality. As an energetic farm girl, she musters her forces and those of her neighbors to save the farm lands of her community from electric power pirates. The plot of the story takes her to Radioand, where her appealing voice earns money to combat the power trust. The four songs which she sings before the microphone are even more delightful and effective than her songs sung unseen over the radio.

Coal Mines on Fire

There are many burning coal mines. The most famous is the anthracite mine at Summit Hill, Pa., which has been burning since 1890. A coal deposit near Brownsville, Pa., is said to have been burning place before the Civil war.

Edgar J. Friedrich (New Deal) was reelected clerk by 2603 votes against his nearest opponent, Charles Kemmerl (Citizens) with 1082. Charles Larson (New Deal) won over Arthur Wiedemann (Citizens) for the treasurership, 2227 to 1259. Dana Schubert (New Deal) beat Vincent Connor (Citizens) for police magistrate, 1624 to 1302. Hobart Abbe (Citizens) won as alderman in the 1st ward, over Harry J. Tucker (New Deal); other aldermanic posts were won by the New Deal ticket; 2nd ward, G. W. Pflughaup 684, Edward Reilly, 324; 3rd ward, Paul Huxmann 371, Raymond Imig 159; 4th ward, E. A. Frederick 334, Victor Lacer 259; 5th ward, Louis Meinshausen 448, Jacob Heinrich 301.

Niles Center
George E. Blamauer of the Economy ticket in Niles Center was victor in Tuesday's election for the presidency of the Village board over Edward H. Harms, former board member by a vote of 1536 to 1335. The entire economy ticket, headed by Blamauer, was elected, with the exception of Roscoe Richards, who was defeated by Ted J. Heintz, Taxpayers ticket, by the close vote of 1339 to 1378, for a vacancy on the village board.

The votes for other members of the board were as follows: Taxpayers ticket—Henry F. Vogt, 1250; Peter Conrad, 1305; Herbert B. Pollock, 1266. Economy ticket—Willard C. Galitz, 1585; Ernest Burkitt, 1458; Thomas S. Rae, 1454. Total votes cast, 2895.

Morton Grove
Herbert A. Dilg, president of the Village of Morton Grove, and candidate for reelection on the "Peoples" ticket, won over Charles Sahr, candidate of the Community ticket, by a vote of 503 to 391. The vote for trustees was as follows: "Peoples" ticket—Fred Huser, 512; Max Finke, 509; William Kirscht, 497.

Community ticket—Arthur Wuest, 394; Peter A. Schuetz, 385; Arthur Rugen, 369.

Total votes cast: 903.

Northbrook
Clyde H. Warner, member of the Village board of Northbrook, was elected president of the Village, defeating John W. Haase, Independent ticket candidate, 361 to 299. Electrical Exhibit at Fair To Demonstrate Inventions

The history of electricity and the story of how it is remaking our world, from the countryside farm to the great cities, will be told by the electric light and power industry exhibit at a Century of Progress Exposition in Chicago this summer.

When Thales of the ancient town of Miletus, who lived six centuries, B. C., found that rubbing amber would make it attract particles of various materials, he made the first recorded experiment with electricity. Twenty-five centuries later our own Thomas A. Edison brought to fruition all the previous discov-

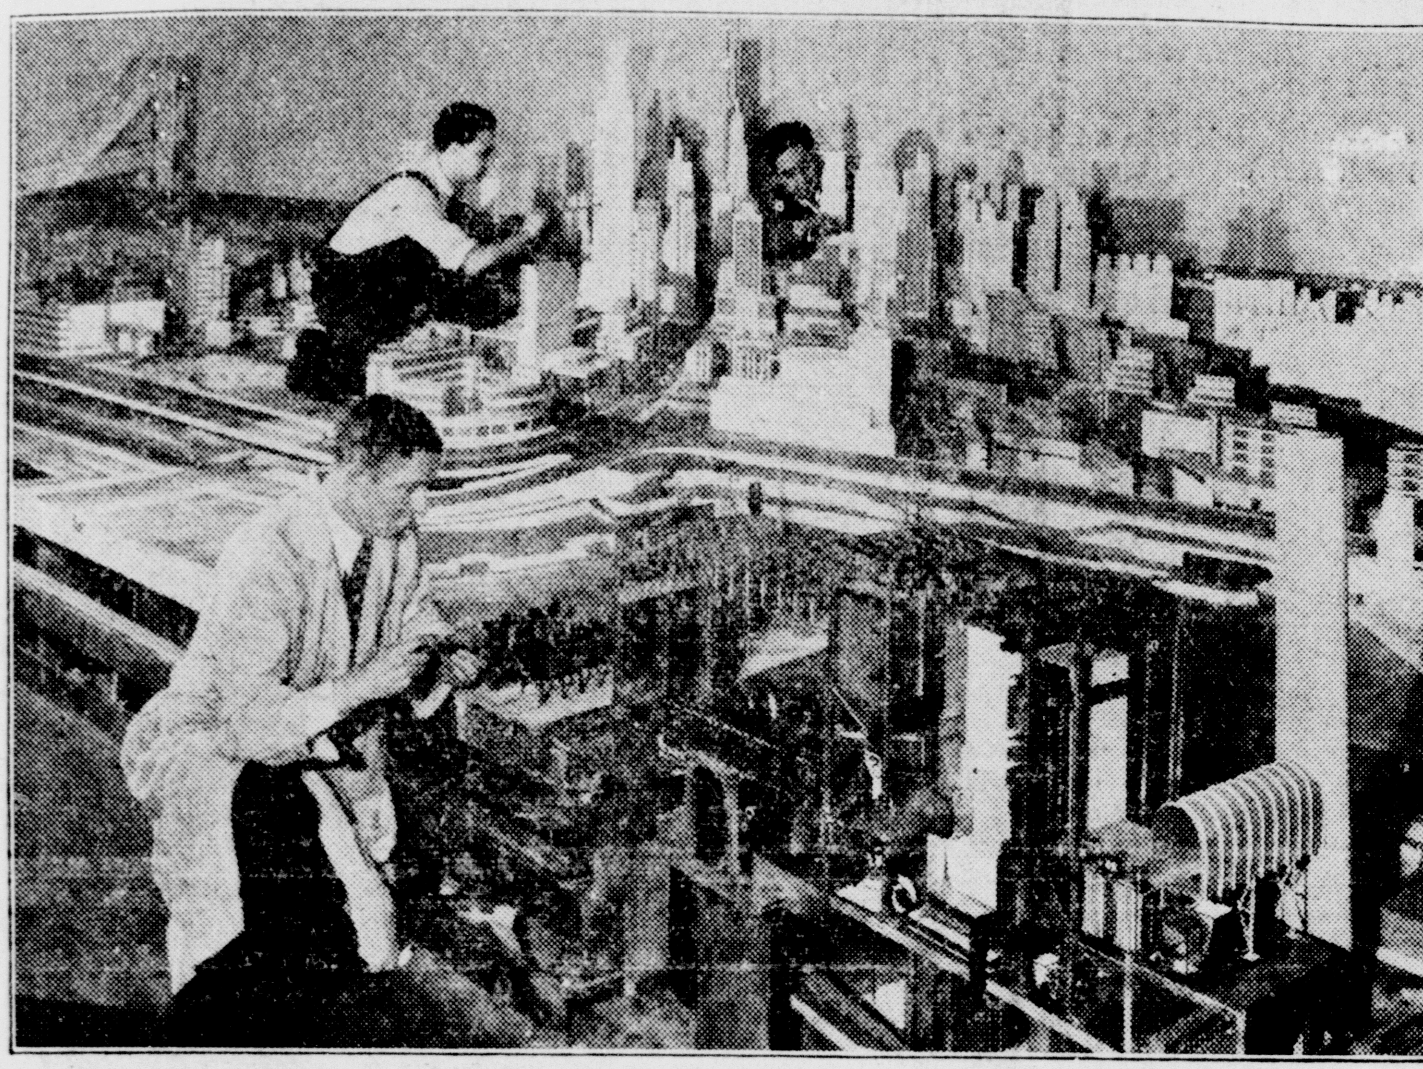

eries about electricity made thru the centuries that separated him from Thales of Miletus. Yet Edison's electric lamps and dynamos began the era of electric service as it is known today.

How electricity is made from water power and coal, how it is sent across country high in the air on tower lines and underground in cities, how it is distributed to homes, farms and factories—all this will be shown by a working model 90 feet long, the largest diorama ever built. Miniature turbines and towers, skyscrapers and farms, flowing streams, animated

machinery, hills and mountains are being built by approximately 500 skilled artisans working from precise plans of the diorama.

Another exhibit shows the fore-runners of modern electrical machinery. There will be models of such devices as the crude steam turbine made by Hero of Alexandria in the first century A. D., the Edison dynamo and the steam engine James Watt developed from watching a tea kettle.

There will also be exhibits showing the most advanced applications of electricity to homes, industries, stores, farms, hospitals, schools and commerce. Such devices as the "magnetic brain" for controlling furnace temperatures, the "electric eye" that can sort colors, and a hospital operating room designed for television transmission to distant students will be shown.

Glenview

Niles Center
President, George E. Blamauer; trustees: Willard C. Galitz, Thomas S. Rae, Ernest M. Burkitt; all of the Economy ticket. Trustee to fill vacancy, Ted J. Heintz, Taxpayers' ticket.

Northbrook
President, C. H. Warner; trustees, Emil Mueller, F. C. Meier, H. J. Hodges.

Old Officials Are Re-elected at Bensenville
Tuesday's election at Bensenville saw the present officials re-elected. With a record such as the present officials have made in Bensenville there was little chance for any change. The results were as follows:

For Pres., Runge 410, Cooper 263.

Village trustees: Walter Lauman 454, Walter Mittelheuser 416, Ed Sprandel 458, Floyd Sullivan 240, F. Edward Shaw 232.

For Treasurer, Wm. Ernsting 513, no opposition.

For Police Magistrate, Julius Frey 412, Denison Groves 195.

There were 261 straight ballots cast for the Regular Party which was the winning ticket and 35 straight ballots for the Peoples Party. Much of this was due to the fact that the Peoples Party only carried 3 candidates out of the six men to be elected. There was a total of 688 votes cast at the election.

Tessville
Henry R. Proessel, Economy ticket, was reelected president of Tessville Tuesday over Michael Weber, Community ticket, 210 to 150. The vote for trustees was:

Economy—Clarence Anderson, 197; Fred J. Riley, 193; Walter Stermer, 197.

Community—Charles J. Ahrens, 143; William D. Moot, 136; Nicholas J. Bree, 138.

Total votes cast: 361.

Batten Is Winner
Melvin S. Batten, candidate for mayor of Wood Dale, emerged victorious over Ralph E. Bolling Tuesday by a margin of 12 votes. The vote was Batten 80, Bolling 68.

At this election four commissioners were chosen also. The successful candidates were Edwin A. Hoppensteadt 105, Emmet C. O'Beirne 86, William K. Smith 81 and William Keller 70. Herman F. Hacker received 65 votes and Rudolph A. Mueller 62 votes.

For police magistrate, Stephen C. Biegel was elected over Mattie R. Bauman and R. S. Parish (the latter's name was written in). The vote was Biegel 59, Parish 39 and Bauman 25.

The total vote cast was 149.

Luehring Ticket Wins
In one of the hardest fought village elections in Itasca in many years, Henry Luehring was elected president of the Village Board over Carl vonGuten who headed the Peoples ticket. To many apart from Itasca politics this victory came as a surprise and consequently it might well be called one of the upsets of the spring elections.

The margin of victory was 22 votes. Mr. Luehring received 200 votes and Mr. vonGuten 178.

It was not a clean sweep for the Independent ticket, however, as E. N. Lake, regular candidate for trustee, and Edward Bicknese, candidate to fill a one year vacancy were elected from the Peoples ticket. Fred H. Kueker and Elmer Wyse were elected on the Independent ticket with Mr. Luehring.

The vote for trustees was as follows: Kueker 207, Wyse 188, Bicknese 180, Lake 165, Paulson 166, Freeman 152, Pruess 150, Kurska 160, Motzny 29.

H. C. Benhart, candidate for Police Magistrate on the Independent ticket was easily elected with 218 votes. He had no opposition on the official ballot.

The Independent ticket received 109 straight ballots and the Peoples ticket 27. The total vote cast was 387.

Support Peoples Ticket
The Peoples ticket at Bloomingdale made a clean sweep of the election Tuesday when three trustees and a village clerk were elected.

The winners for trustees were Wm. Pauling, 89; Ernst Rosenwinkle, 88; John Heiden, 90; Henry Grupe, Progressive ticket, received 30 votes.

Seth Smith, Peoples ticket, defeated John Hjelte, Progressive ticket, for village clerk. The vote was Smith, 67; Hjelte, 37.

Bloomingdale, however, is faced with a peculiar situation for its citizens have elected two police magistrates and only one is allowed. No candidate filed for this position and eleven different names on election day were written in. William Nichols and Milford Wilk were high men with a tie vote of six each. They will probably draw straws for the job.

ELK GROVE SCHOOL, DIST. 59
A bunco and dance will be held at this school, Thursday evening, April 27, given by the Achievement club; admission, 35 cents. Gilbert Busse's orchestra will furnish the music. Everyone cordially invited.

The boys lost the baseball game to Lincoln school, April 12; score, 13-12.

Mr. Puffer visited us last Monday. He brought the new sign boards.

NILES CENTER

Mrs. Anna Smyser has returned from seven months stay with her sisters in the east.

Thursday, April 20, Mrs. F. C. Stielow, Mrs. E. T. Klehm, Mrs. Herbert Sonderman, Mrs. A. J. Mayer, Misses Elizabeth Stielow and Carrie Harter were luncheon guests of Miss Alma Kolb in Niles.

Wednesday, April 12, Mr. and Mrs. Henry Remke were guests of Mr. and Mrs. Herman Grethel in Chicago. It was to celebrate Victor Grethel's fourth birthday.

Good Friday Mr. Eugene Mayer of Elmhurst received a large box from a friend in Georgia. The contents, several pounds of fresh shrimp, 1 gallon of oysters and a large fish were too much for Eugene and his mother, so they brought the large fish, some oysters and shrimps to the E. T. Klehm and A. J. Mayer home and all enjoyed a real fish dinner.

Elmer C. Baumhardt had the misfortune to break his nose while in the gym at school.

Mesdames Othella Witte, Frank L. Noetting and Henry Remke motored to Elgin and called on Mrs. Chas. Engdahl last week.

Mr. Phoebe Biederstadt was a guest of Mr. and Mrs. Arnold Sells of Oak Park who celebrated their fifteenth wedding anniversary Easter Sunday.

Mrs. Fred Schmidt and son, Ronald and his daughters, Barbara and Ethel of Butler, Wisconsin, spent April 17 with Rev. Paul E. Winger and family.

Mrs. Elizabeth Heinz is critically ill suffering from pneumonia and diabetes. She has been confined to her bed most of the time since last September.

Robert Balfour returned home Thursday, April 13, from the Children's Memorial hospital where he had been many weeks suffering with a mastoid. He is unable to walk. We hope he will improve rapidly in strength and health.

Mr. and Mrs. John Miller were dinner guests at the home of Mr. Millers' parents in Chicago, Easter day.

We are glad to report that Anthony Seul, who is at St. Francis hospital is gradually improving.

Mr. Fred Pries and Edwin T. Klehm called on Mr. John E. Ruesch last week. Mr. Ruesch is always glad to receive callers.

The Easter Sunrise service at St. Peter's Evangelical church was very well attended. The ladies served breakfast to 86 guests. The play, given by members of the Sunday school, was wonderfully presented under the supervision of Miss Evelyn Brown. The choir rendered the liturgy cantata Good Friday evening. It made a very impressive service. They also rendered some beautiful selections Easter day. The men's chorus is to be congratulated also. All in all Easter services were perfect in spite of the rainy weather.

Mr. Eugene Wyssender, father of Mrs. Robert Throop died Tuesday, April 18, at the home of his daughter on Wright Terrace. We extend our sympathy to the bereaved family and relatives.

Mr. John Teufert from Knox, Indiana is here visiting his uncles, Wm. F. and John E. Ruesch.

Mr. and Mrs. Anton Rath enjoyed the Easter cantata at Evanston Tuesday evening by the Bethlehem church choir. Wednesday afternoon, Mrs. Rath attended the Easter "Coffee" given by the Ladies' aid of Bethlehem church.

The Ladies' Aid of St. Paul's church will serve a chop suey supper in the assembly rooms Wednesday evening, April 26.

Mr. and Mrs. Otto Reets of Chicago were luncheon guests at the W. L. Wolters home Good Friday.

Mrs. John Artelt spent Monday afternoon and evening with the Louis Burmeister family.

Mr. and Mrs. William Ruesch will entertain their card and bunco club Friday evening.

CARD OF THANKS

We wish to express our sincere appreciation and thanks to our many friends and neighbors who were so kind to us in our bereavement.

Mrs. Harry Mueller and sons, Harry and Donald.

Pioneer Residents of Addison Township Married 50 Years

Mr. and Mrs. Wm. Rosenwinkel, of Itasca celebrated their fiftieth wedding anniversary last Sunday, surrounded by 150 relatives and friends. The event took place in the basement of St. Luke's Lutheran church. The bridesmaid of the original wedding, Mrs. Otto Ahrens, and a cousin, Wm. Rosenwinkel, both of Elmhurst, were accorded honored places at the supper table. The guests gathered about five o'clock and Rev. Zersen opened the festivities with a few well chosen words of tribute to this couple who have spent their entire lives in Addison and Bloomingdale townships, as heads of a family which has meant a good deal to the local communities of which they are a part.

Mr. and Mrs. Rosenwinkel did not want their children to go to much bother for a celebration, but when the latter insisted upon a celebration, they insisted that it be a social affair without gifts. Their wishes in that regard were respected. The young people spent the evening in the church parlors, while many of their elders spent the evening in the old homestead in which the venerable couple have made their home the past six years.

Golden wedding celebrations come to few families and there are few families who reside in the same community three quarters of a century. Mr. Rosenwinkel was born on a farm two miles south of Itasca Jan. 3, 1859. Miss Mina Wischstadt was born a few miles distant Feb. 1, 1863. They were united in marriage and started life together on the farm of the bride's father, near Bloomingdale. A few years later, they moved to Addison township which has been their home over 43 years. Mr. Rosenwinkel gave up active farming in 1918 but did not move to the village until 1926.

The children are seven sons, Louis, Albert, Ernst, George, Walter, Alfred and Julius; three daughters, Mrs. Mary Fene, of Bloomingdale; Mrs. Ida Felbing, of Waukegan and Mrs. Ella Felbing, of Maywood. There are 31 grandchildren, nearly all of whom were present.

Mr. Rosenwinkel has been a reader of the DuPage County Register from the time it started and 48 years ago was a subscriber to the Senior editor's papers then published at Wheaton. The editor joins their many friends in wishing Mr. and Mrs. Rosenwinkel many more happy years of life together.

OBITUARY

Herman Tuff was born in Town Addison, DuPage County, Ill., March 13, 1852. He was baptized by Rev. Moecklin June 27, 1852 and confirmed Palm Sunday, April 14, 1867 in the old St. John's church, also by Rev. Maacklin. He was joined into the bonds of holy matrimony by Rev. P. Lehmann with Miss Louise Finke, Dec. 10, 1875. This union was blessed with three children, one son and two daughters. Mrs. Tuff preceded her husband into eternity January 10, 1921. Mr. Tuff spent the days of his youth on the parental farm, the so-called "Red Franzen" farm and after his marriage resided for many years on a farm in Elk Grove. The last 8 years of his life he spent at the home of his son-in-law and daughter, Mr. and Mrs. Henry Teyler in Elgin, Ill., where he received the best of care. After many infirmities of old age he passed away Saturday, April 15, 1933, attaining the age of 81 years, 1 month and 2 days.

He leaves to mourn his demise, one son, Julius, of Elk Grove; two daughters, Mrs. Rose Marshall of Michigan City, Ind.; Mrs. Amanda Teyler of Elgin, Ill.; eight grandchildren; three great grandchildren; two sons-in-law; one daughter-in-law; one brother-in-law, Gerhard Finke, one sister-in-law, Mrs. Anna Finke and other relatives.

The funeral was held Tuesday, April 18 at 1:30 p. m. from Geil's funeral home in Bensenville to St. John's church, Rev. H. L. Barth officiating. Interment in the Congregation's cemetery.

PLAN PARADE, TREE PLANTING THIS AFTERNOON

Niles Center Woman's Club, Juniors Groups, Speakers Take Part

The Niles Center Woman's Club extends a cordial invitation to everybody in the community to join in a tree planting ceremony Friday, April 21st. Meet at the municipal building, Oakton St. at 9 p. m. and proceed from there, in the line of march to Lincoln Ave. and Laramie Ave., where the tree will be planted. All tree lovers are asked to join in this ceremony, which will mark the official start of a Century of Progress Tree Planting Project being sponsored by the Niles Center Woman's club.

The purpose of this project is to encourage the planting and taking care of trees, in our community and elsewhere; and thereby give as a heritage to the coming generations the blessings these trees will afford by their beauty, their fruit, their usefulness.

Joining in the parade with the club members and the Junior Woman's club will be several groups of Camp Fire Girls, with their guardians and several troops of Boy Scouts, with their scoutmasters and flag bearers, marching to the rhythmic beat of drums. And may all lovers of trees and persons interested in beautifying this community march along and hear the program.

Speakers will be the Rev. Ahrendt of St. Paul's Church and Miss Alma E. Klehm, president of the Niles Center Woman's club.

The Boy Scouts will give a fire drill and the Camp Fire Girls will sing.

Miss Clara Klaus will lead the community singing. A hundred pine trees donated by Mr. George Klehm of Arlington Heights will be distributed. The elm tree for the ceremonial planting will be donated by Mr. Leo. Heinz, of Niles Center.

Other persons having small trees shrubs or seeds to donate will please bring them along for distribution or exchange.

In connection with this subject the Woman's club seeks to direct the attention of vacant lot owners to the fact that many thrifty young trees have taken root on vacant lots. Some of these are pine young elms or ash and are well worth while transplanting to the right location on your lot. Others are the undesirable cottonwood which grow very rapidly and are hard to uproot and remove later.

The wonderful thing about a project like this, is that after you have planted a tree it soon takes care of itself, and grows larger and more useful and beautiful.

So let everybody decide to join in, on the good work, and decorate Niles Center with a beautiful green dress of trees.

DU PAGE DEMOCRATS PULL A FAST ONE

(By County News Service)

A master stroke of political strategy was executed by DuPage county democratic leaders at the judicial convention in Aurora Friday night when they succeeded in placing Max F. Allaben of Glen Ellyn on the regular ticket as the sole nominee of their party and obtained the approval of delegates from three other counties.

Shortly before this was carried out State's Attorney C. W. Reed as leader of the DuPage delegates at the republican judicial convention tried in vain to have the convention of handpicked delegates from Kane and DeKalb counties give justice to DuPage without success.
